“NATURALISTIC DOCUMENTARY FESTIVAL” CONTEST

1ST EDITION

International Po Delta Birdwatching Fair
30th April 2nd May 2010 - Comacchio (FE) Italy -

REGULATION

Art. 1. Promoting subject

The Naturalistic Documentary Festival is promoted and organized by Delta 2000 limited liability Consortium Company with head office in San Giovanni di Ostellato (FE) in Strada Luigia, 8.

Art. 2. Subject of works in contest

The festival is dedicated to the nature in Italy, in the rest of the world, and in particular in areas of NAP net (Networks of Adriatic Parks: Emilia-Romagna Po Delta Park, Veneto Regional Po Delta Park, Gargano National Park, Abruzzo, Lazio and Molise National Park, Foce dell'Isonzo Natural Reserve, Kozara National Park - BIH, Hutovo Blato National Park - BIH, Lokrum Natural Reserve - CRO, Cacak National Park, Butrinti National Park – AL).

Documentaries listed in categories A and B must tell and/or describe natural places, landscapes, phenomena (also meteorological and geologic), maintenance and study projects and any other wildlife aspect where living organisms are protagonists. Also works describing men and their activities in the world of the nature (to illustrate native populations, researchers, environmentalists, farmers, breeders, woodmen, park keepers, fishermen, hunters) are allowed.

Also works representing images picked up in conditions of captivity or with trained animals, if this is expressly declared in the form of registration, can be listed to the contest.

In category C (productions with videophones) also domestic and company animals can be described.

Art. 3. Categories

Works, documentaries edited as complete of soundtrack (for example with in effects, music, live broadcast announcer, narrator, etc.), can be listed in one of the following categories:

- **Category A. Professional productions:**

Works produced from independent filmmakers or from production societies that habitually develop the documentary activity in professional way. Works must last minimum 13 minutes and maximum 52 minutes.

- **Category B. Amateur productions:**

Works produced from filmmakers or newcomers that develop the documentary activity primarily in the spare time and for fun. Works must last minimum 6 minutes and maximum 52 minutes.

- **Category C. Productions realized with videophone, webcam, photographic traps:**

Sequences, also not edited, realized with videophone, webcam, photographic traps of particular

Programme
INTERREG/CARDS-
PHARE

interest for the content that they represent (extraordinary natural events, particular animals behaviours, curiosities) and/or that film rare and/or hardly observed animal species. Works must last minimum 3 seconds and maximum 120 seconds.

Art. 4. Requirements and conditions of works

- a. The official language of the Festival is Italian. Productions in foreign language are however admissible but they must be accompanied by an exhaustive writing summary in Italian. Productions that are not in Italian and in none of the following foreign tongues: English, French, Spanish must be subtitled or must be dubbed in Italian. A version with Italian comment can be requested to producers of winning works for the ceremony of awarding.
- b. Productions can have already been transmitted by the television nets, or being in planning or be absolutely unpublished, if they have been completed before 15th April 2010.
- c. Productions can be listed in Festival from the producer, from the co-producer, from the author, from the director or from who commissioned it.
- d. Commercial and institutional sponsorships can be recognized in the works but any publicity is allowed outside of them.
- e. Festival celebrates the beauty of the world of the nature, for such reason each listed work must have been carried out in the full respect of the health of withdraw subjects and of the environment when they live. Organizers reserve the faculty to refuse works that have been carried out with methods and systems ethically disputable.

Art. 5. Modalities of registration, conditions for the participation and use of sent material

- a. The festival is open to anyone, established trading companies as well as single authors and independent directors (better defined as filmmakers) deriving from any part of the world, that realized personally or produced movies, videos, animations for cinema, television or for every other utilization, inclusive the personal use.
- b. The participation to the contest is subordinate to the registration that must be effected compiling the card of participation, enclosed to this regulation and available at the www.podeltabirdfair.it web site.
- c. The delivery of the card of participation, together with the CD/DVD, can happen through postal delivery or by hand to the following address: **Naturalistic Documentary Festival 2010 Contest c/o Delta 2000 limited liability Consortium Company, Strada Luigia, 8 San Giovanni di Ostellato (FE)** within and not over 5.00 p.m. on Thursday, **15th April 2010**.
- d. Works reached and not equipped by the dispatch in papery form of the card of compiled registration in every part will be automatically excluded by the contest.
- e. The organization reserves the right to modify the category the listed work competes to.
- f. Each work must be furnished in two copies on DVD (burned with the usual programs available in commerce and readable with DVD reader, pc and Mac) that won't be returned at the end of the Festival if not expressly requested and with postal expenses in charge of the participant. In case the quality of the reproduction is not suitable, the delivery of the material in betacam or dvcam can be requested to the participant.
- g. Affiliates must furnish at least two digital photographic images for each production that withdraw the author-director or presenter and a salient moment of the production authorizing the
